

ADMIN PANEL REQUIREMENTS

Home Page:

- Add, update, or remove homepage **Slider Images and text**.

• Admission Open for 2025-26 – Apply Now! • Congratulations to all ICSE Toppers! • 100% Results in Class X Board Exams! • Contact: +91-

- Add/update **Horizontal News Slider** (add hyperlinks option).
- Add/update **Vertical News Slider** (add hyperlinks option).

- Enable the option to add or update the event cover image, along with supporting text, including the header and detailed content for each event.

- Add/update this section (Text & Image).
 - Enable the option to add or update the Alumni image, along with supporting text, including the Name, Class, and testimonials of Alumni.

Gallery Highlights

- Add/update this section (Text & Image).
 - As discussed in the previous call, this section should automatically display the 6 most recent gallery albums, showing both the album name and its cover image.
 - Any new album added to the gallery must be automatically reflected in this section without requiring manual updates.
 - Additionally, the admin panel should provide the option to select a specific image from within each album to be used as its cover image.

Home / Gallery

Our Memories

- **Gallery Page**
 - Add and update albums.
 - Add and update images within each album.
 - Select a specific image from each album to be used as the cover image.

Home / Alumni Registration Form

Alumni Registration

- **Alumni Page**
 - The admin panel should provide access to view all entries submitted by alumni through the registration page. Additionally, there should be an option to download the collected data in Excel format, enabling the school to maintain a detailed and organized archive of alumni records.
- Add a “Message” or “Testimonial” field, allowing alumni to share a personalized note or experience from their time at the school.
- Add an optional photo upload field, enabling alumni to submit a profile picture if they wish to have their testimonial and image featured on the website.

7 • Result Page (missing)

- The admin panel should allow administrators to upload result files (PDFs or images) for Classes 1 to 12 with the following capabilities:
- Add or delete sections within each class as needed
- Select the examination type (e.g., Half-Yearly, Annual, etc.)
- Upload results specific to each class and section combination

• Download Section

- Upload monthly PDF editions of school publications: LITERATI, CAMPUS CHRONICLE, BLISS and NEWSLETTER.
- For each upload, we should be able to specify the Year and Month/Edition.

Home / Our Team

8

Our Team

• Our Educators Page

- Create and manage departments to organize faculty members effectively
- Add and update teacher profiles, including: Name, Photograph, Short description or bio

Home / Transfer Certificate

9

Transfer Certificate

• Transfer Certificate Page

- The admin panel should provide the ability to upload student Transfer Certificates in PDF or image format.
- Students should be able to download their Transfer Certificate by entering either their Admission Number or Transfer Certificate Number.

Home / Academic Achievers

10

Academic Achievers

Honoring our top-performing students who have demonstrated outstanding academic excellence, setting benchmarks of knowledge, dedication, and hard work in their studies.

• Academic Achievers Page

- The admin panel should provide the ability to Upload names, photographs, class, and academic session of each achiever
- Include a description field to highlight the details of their academic achievement (e.g., top scores, subject excellence, board exam ranks, etc.)

11

Star Achievers

- **Star Achievers Page**

- The admin panel should provide the ability to upload and manage information for student achievers who have excelled in various events or competitions. Each entry should include:
 - Name of the student
 - Photograph
 - Event or championship details
 - Rank or specific achievement

12

Join Our Team

- **Career Page**

- The admin panel should provide the ability to post and manage job vacancies on the Career Page. Each job listing should include:
 - Job Title
 - Detailed description, including eligibility criteria, qualifications and experience.
 - Additionally, each listing should feature an "Apply Now" button that opens a popup application form. This form should include the following fields:
 - Candidate's Name
 - Qualification
 - Post Applied For
 - Resume Upload Field (PDF or Word format)
